

# **DON'T PAY FOR WAIKATO WATER!**

**Don't pay for water that puts your family's health at risk!**

**The "raw" Waikato river has thousands of pollutants from factory effluent, agricultural chemicals, road runoff, leaching landfills, animal and human sewerage. YUK!!!**

**New Zealand Drinking Water Standards 2000 only measure 137 of those pollutants.**

**Watercare and Metrowater are putting \$\$\$\$\$\$ ahead of public health!**

**Waitakere and Hunua water doesn't have all this muck in it! Where's the drought?**

**Join the water bill boycott and demand 'Best raw water first' to minimise the risk!**

**THIS WATER BILL BOYCOTT LEAFLET/LETTER IS AVAILABLE HERE!**
